Streamline your invoice to pay process with FastPay,  
an AvidXchange Company

FACT SHEET

## Invoice Management for Media Agencies

Streamline your invoice to pay process with FastPay, an AvidXchange Company

FastPay's invoice solution allows your agency's finance and media buying teams to focus on what they do best by automating media invoice ingestion and structuring your approval process.

Our invoice reconciliation tools help your agency keep track of invoices and resolve issues when they arise. We built our products around the needs of media agencies, saving your team from tedious back-office tasks.

*Streamline your invoice-to-pay process from end-to-end with FastPay.*

*Contact us at [fastpaysales@avidxchange.com](mailto:fastpaysales@avidxchange.com) to learn more.*

### With FastPay, your agency can:

#### Streamline Ingestion

→ FastPay takes over manual entry of invoice data

#### Reduce discrepancies

→ Built in workflow tools help buyers identify, assign, and resolve discrepancies

#### Access Detailed Reporting

→ Helps users understand the invoice-to-pay lifecycle

#### Save time

→ Easily match invoices with data from your ERP or media buying system

#### Increase Visibility

→ Gain real-time visibility into invoice statuses

#### Take Advantage of Workflows Designed for Media

→ Automation and workflows designed with buyers, systems, and media types in mind
